Official News Release

TO: All Bureaus of EMS

FROM: Todd Soard

EEI has been a leader in innovative learning since 1992 both in the United States and other countries. Our EMT-B and Paramedic refresher program is State of Florida approved and covers the required NHTSA standard plus much more. Our course covers Domestic Violence and Herbal Medicine in addition to an in depth HIV/ AIDS update.

EMT-B skills are obtained by the student having a skills sheet signed-off and returned to us. This form must be signed by a Training Officer, Medical Director or Paramedic Instructor. Paramedics provide a copy of a current ACLS card from AHA, ACEP, AMLS, or ASHI.

Once the worksheets are completed in the refresher and documentation noted above is returned to us, a certificate of completion is forwarded to the participant.

If you have any questions, please feel free to contact us or visit our website at www.eeii.org.

Thank you,

Todd Soard, IEMSR-P, NREMT-P, Ph.D.
President and School Director of EEII
Florida Association of Professional EMTs and Paramedics President
National Association of EMTs Florida Governor
